## OCT 2018

Austin Area Car Club President's Message – October 2018

Spread the Word

By now everyone should be back to their regular routines, summer is behind us.

October is a very busy month for those of us in the old car hobby. There is a car related activity every weekend. I encourage each of you to get out and participate in some of these great opportunities to share your classic ride with others. It is also a great time to spread the word about your club. Wear your club shirt and hats, and pass out the club cards.

I find it interesting when visiting with other classic car folks in the area that they have never heard of the Austin Area Car Club. Your club is the oldest car club in Austin. While not every old car person is a club person they should have at least heard about the Austin Area Car Club. Right now you as a member are the club's major source of advertising.

While visiting with a few fellow classic car persons the other day one of them said that they really enjoyed being a member of a club. They just wish they had joined as soon as they determined it was time to them to purchase a classic, because of the information about parts, cars, service centers, etc. that they gained since becoming a member would have saved them a lot of time and money choosing and building a classic.

Allen Hejl, Paul Dean and I attended the Pate Directors meeting several weeks ago in Justin, TX. Allen Hejl has volunteered to fill in as out Pate Director. David Anderton, Pate Swap Meet Coordinator, reported that Pate 2018 was the best one yet, registrations for Pate 2019 are on track with Pate 2018. David also compiled and distributed a list of all of the clubs sponsoring Pate, each clubs responsibilities at Pate, number of members and the hours required to support.

Check your calendars

Next Meeting – The next meeting will be at Uncle Buck's on the 1<sup>st</sup> Sunday of October, the 7th, hope to see you there.

Next Election of Officers – Dan will be presenting the list of candidates for the leadership of your club for the coming year. Election of Officers will be at the November meeting.

Next Pate – Thursday to Saturday April 25 to 27 2019 – see attached sign up sheet.

Happy Halloween,  
Steve and Carol

## **AACC Meeting Minutes – 9/02/2018**

Steve Springer **opened our meeting**, Sunday of Labor Day Weekend, at 1:40pm after our buffet of fajitas and fixin's at Margaritas in Liberty Hill, TX. 15 members RSVP'd and 15 showed up, no guests or new members. Perhaps we should "jump" a weekend in Sept. to avoid Labor Day, lots of folks traveling, or just getting home. Just saying...

Your Secretary talked about some minor points that were left out of **last month's minutes** due to an oversight and since they were not important, Bob Deets made Motion, to approve as published, with Second by Brian Craven, none opposed. Minutes accepted as published.

**Treasurer's Report** was complete, but brief since there was little activity and Ruth is out of town, but still doing her job. We should have our Pate profit share deposited soon and that will get us up to date on funds in reserve. Motion to accept as presented, Marc Honey, Second Bob Deets, none opposed, Motion to accept as presented passed.

**Sunshine Report:** Brenda Lambert did her usual great job getting us up to speed on ailing members, with a few extra comments from members, and passed around get well and birthday cards. Buck Jones and Karol Miller both turn 90 this month! We had a note from Margo Springer detailing Denis' progress. He underwent a Cyber Knife procedure and is slowly getting better, we all hope and pray his pain is subsiding. Steve S. said he had talked to Lonnie Henderson recently and he sounded very "down". He's in a rehab facility, but his lungs are getting worse. Lyndon Stearns doesn't get of house very much and is really slowing down. Brenda pointed out that since we don't have a May meeting due to Pate, people miss her birthday and that she and David have an anniversary around that time as well, we all wished them both "Happy, Happy" for these occasions. Brenda ran through a lengthy list of birthdays and anniversaries to finish up.

**Pate Report:** Paul Dean and Allen Hejl are going to accompany Steve Springer to the Sept. 15<sup>th</sup> Pate Meeting up at TX Motor Speedway where we will get our profit share check and Pate Officer's will be elected. Steve had passed out a list of who was running. Steve has asked for a list of what other club's "duties/jobs" were and is hoping that information is forthcoming. Steve was also proposing we man 4 carts to cover 4 gates at Pate Swap Meet instead of 8-9 we've tried to run in the past.

**Pate Report continued:**

We just don't seem to be able to muster up that much help. Worker sign up sheet was passed around. We really need help Wed. getting set up and cooking lunch and Thursday is a very busy day where we need adequate coverage and someone to cook lunch. Security is supposed to really tighten down access to gates after 10am. There was a discussion about how disorganized all the things are that we must take up for Pate and then get them back home. Coolers, smoker/BBQ pit, tent, chairs, club banner, and other supplies. Idea was floated about getting a trailer that all this could be stored in together in the right size trailer that we could haul up and back. Pretty good idea! Bob Deets offered that he had a 10x8 trailer he and his son weren't using anymore and we decided to investigate that further.

**Old Business:** Was mostly tabled as Glenn Heimbigner was absent, he's working on ideas for revenue generation and Dan Reism, our nomination and election coordinator was also absent. We really need people to step up primarily for VP and Secretary positions. VP Robert K. is tracking charitable contribution submissions for our Nov. meeting.

**New Business:** No real new business was discussed.

**Announcements:** 1) **Next Meeting Oct. 7<sup>th</sup>** at Uncle Buck's in the Round Rock Bass Pro Shop, regular time 1pm I believe, Steve S. should have more details in President's Message. 2) We should try and turn out for the **Marble Falls Car Show on the square Oct. 6<sup>th</sup>**, 9am-3pm. 3) **Nov. 4<sup>th</sup> is Highland Haven fish fry meeting**, bring sides, salads, deserts as usual. 4) Steve Springer mentioned an event in our area that the National Mustang Club of America is hosting and an All Ford Club picnic to be held in a park in Georgetown soon. I did NOT get the dates, please contact Steve S. 5) He also mentioned Coffee and Cars out at COTA, Round Rock Police show and shine, a Taylor, TX show in Oct., and one or two more that are already in newsletter. You DO read our newsletter, right?

**Drawing for free meal card** was easy as the Kincheloe's were the only ones who drove their classic car to the meeting, saved the club \$24 right there!

**Motion to Adjourn:** Marc Honey, Second Doug Hancock, none opposed, we adjourned our meeting at 2:35pm.

Secretary – Marc Honey
